

OL-5

The TruAudio OL-5 is a rugged yet refined 2-way outdoor surface-mount speaker designed to deliver clear, dynamic sound in any environment. Featuring a 5" polypropylene woofer and a 0.75" titanium tweeter, the OL-5 delivers smooth mids, crisp highs, and reliable performance with power handling from 5 to 80 watts at 8 ohms. Its weather-resistant enclosure makes it ideal for patios, decks, or commercial outdoor spaces, while the compact design and included mounting bracket ensure easy installation and versatile placement. Available in sleek black or white finishes, the OL-5 blends effortlessly into any exterior décor while providing rich, full-range audio that stands up to the elements.
