

ADAPT SOUNDBAR

Introducing our award winning custom-length soundbar the SB-Adapt.

Meticulously tailored to align flawlessly with your TV, setting a new standard in home audio.

Featuring a groundbreaking, patent-pending TruMount™ locking and mounting system for effortless installation, this sleek and lightweight design seamlessly integrates with your TV, ensuring an unobtrusive yet powerful audio enhancement.

With racetrack-style drivers and passive radiators, brace yourself for a breathtaking audio experience that will immerse you in sound like never before. Redefine your entertainment with the perfect sound companion, where form meets function, and your TV comes to life.

TRU MOUNT™

SIMPLIFY THE INSTALL PROCESS

The SB-Adapt soundbar incorporates the TruMount technology to streamline the installation process. TruAudio's TruMount toolless technology is a five-step process to ensure the correct angle of the speaker while maintaining a simple installation.

Specifications
